

No Ball Games Sign of the Month

January 2010

Two Sins in One (1972)

This months No Ball Games sign has a historical flavour

This photograph was taken by Ian Mackean in the early 1970s in the Limehouse area of London – all flairs, long hair and chopper bikes. Also note the clear attempt to paint out the word 'No' on each sign. For more of Ian's work see his website www.photo-zen.com
